September 2015 - July 2016

Foreign and Old Coin Collection

During September and October last year pupils collected over 28kg of foreign or old British coins and notes. Prizes were awarded to the children who brought in the most and we raised £326.98. We still have a bucket in the school office should you come across any more, we will send them away periodically.

Calendars

A huge thank you to Emma Marie Photography who took various themed photos of all of our classes to make into a calendar which raised £149.

Christmas Fair

Our biggest event of the year, raised £2000, including a very generous matched fundraising donation from Barclays Bank.

The Great Belmont Bakeoff

Many of our children and some of their grown ups produced fabulous cakes for our baking competition. The entries were judged and prizes awarded to our star bakers. We then sold all of the cakes raising over £180.

What did we spend it on then?

We make a few regular purchases - book bags, PE bags, £2 per child for Christmas activities, Sports Day and Sponsored Toddle refreshments and half the cost of leavers sweatshirts for our Year 6 pupils. We also provided drinks and treats to all the children taking part in Rhys' Relay earlier this year.

GUIDED READING

£2000 for class reading books in KS1 and KS2

OVENS

£260 for new mini ovens to allow the children to bake

QUADRANGLE

£2000 for picnic benches and summer houses
