

# Belmont Primary School Newsletter April 23rd 2021

Dear Parents / Carers,

What a wonderful week it has been! It makes a real difference having the pleasant weather which allows the children to enjoy the outdoor spaces far more.

### On Site Safety

There have been a number of occasions recently where children have been playing on the equipment and in the wooded area before and after school at 'drop off' and 'pick up' times. Could we please remind you that these areas are not to be used at these times for the safety of everybody. Staff have been asked to remind anybody of this if they are seen to be accessing these areas.

### SRE Consultation

Many thanks for all those who have returned the consultation questionnaire. The last date for these to come back in is this Monday, 26th April.

### Bank Holiday

I am sure you will need no reminding but, just in case it has slipped anybody's mind, next Monday 3rd May is a Bank Holiday and therefore the school will not be open!

A rather brief newsletter this week! Wishing you all a pleasant weekend but I do like to stay in touch!

With very best wishes,

Yours Sincerely

Mr C Gibson
