

# Belmont Primary School Newsletter May 28th 2021

Dear Parents / Carers,

We have reached the end of the penultimate half term of the school year and I have to say, it feels as though it has arrived really rather quickly.

### Booster Maths

Many thanks to all those children who have shown such terrific commitment to the after school maths sessions. Just to let you know that these **will not** be operating after the half term break.

### Sports Day

We will not be holding a 'Sports Day' as would normally be the case for obvious reasons. However, we are looking to provide a 'low key' sports event for the children later in the term. Unfortunately, this will not be something we will be able to invite parents to but it will provide an enjoyable opportunity for the children. We will let you know the dates once they have been arranged.

### Parent / Teacher Consultations

Our Parent Teacher Consultations (or 'Parents' Evenings) will be held via telephone calls again this term. Appointment letters will be sent out after the half term break.

### 'Wear Yellow' Day

Our annual 'Wear Yellow Day' in aid of Cystic Fibrosis will be on Friday 18th June. Children are invited to wear an item of yellow clothing for a one pound donation in aid of the Cystic Fibrosis charity.

### Next Half Term

In response to a number of questions which have been raised, the organisation of the school will remain the same as at present after half term. We are aware of schools locally having to close as a result of COVID cases and, as such, it certainly does not feel prudent at this point to be relaxing the measures we have put into place. We are ever hopeful that September will see a return to something resembling our 'old' operations. Here's to optimism.....

On behalf of all of us here, we would like to wish you a very pleasant half term and that the 'heatwave' being promised allows for a bit of time outside!

With very best wishes,

Yours Sincerely

Mr C Gibson
