

Belmont Primary School Newsletter June 18th 2021

Dear Parents / Carers,

Wear Yellow For Cystic Fibrosis Non Uniform

Many thanks for everybody who participated in this fundraising activity. We will let you know next week how much money has been raised.

Transition

Prior to last year when we were bound by restrictions, we had provided all children with a week long transition into their new class on the last week of the term. This was very much our plan this year and we had made arrangements with this in mind. Unfortunately, as has so often been the case over the past eighteen months or so, our plans have been derailed as secondary schools are, perfectly understandably, not able to offer this facility. However, I am sure you will not be surprised to learn that we had a 'Plan B' ready and waiting in the wings and this will be implemented. The plan is on Wednesday and Thursday, 14th and 15th July, all children will move up into their 'new' classes. Children in Year Six will enjoy two PE days with Mr Sweetman. Children in Nursery will be receiving a letter in due course explaining the arrangements for them. Although this is not the perfect scenario, we are at least providing the opportunity for children to meet and work with their new teacher and also gain some familiarity with their new classroom and setting.

Term Dates

Some people have requested that the term dates for the next academic year, 2021 2022, be sent out again. These will be attached with this letter. We will also be planning events for next year too and, as soon as these have been decided, they will also be shared.

Reading Plus

I am really pleased with the response shown by so many children to the Reading Plus initiative which we shared with you in a previous newsletter. So many children are thoroughly enjoying working on this both at home and in school and because of this, we are already seeing tremendous progress being made. Great work to all of you accessing this at home!

Parent / Teacher Consultations

Please check your child's school bag for the letter and, if you would like a telephone appointment, please complete and return the proforma at your earliest convenience.

Reminder....!

Just to remind you all, the school is closed to pupils on 25th June (next Friday) for the rearranged PD Day from earlier in the year.

Wishing you all a lovely weekend.

With very best wishes,

Yours Sincerely

Mr C Gibson
