

Belmont Primary School Newsletter July 9th 2021

Dear Parents / Carers,

With a week to go until the end of the school year, Belmont Primary continues to be a real hive of activity!

September

You will by now have received the information regarding how the school will be operating when we return on September 2nd. Like you, I am hopeful that nothing will change in the meantime but, if it does, please be assured that we will continue to keep you informed at the earliest opportunity.

Pantastic!

Well done to all of our fantastic children in Year Six who performed fabulously in their production of 'Pantastic'! As is so often the case, the talents of our pupils is phenomenal and I know that those of you who have viewed it agree how terrific it was! Great work and thanks to all of the staff who supported in so many ways to ensure that this production could be achieved with all of the challenges in place!

Sports Days

Many thanks to Guy Sweetman and his team for organising this week's Sports Days. As I am sure you can imagine, it did take a bit of planning to ensure these days could go ahead whilst observing all COVID protocol. The weather also behaved itself (somewhat surprisingly given the forecast for Wednesday!) and the children had a wonderful time. Thanks also to Mrs Hughes for working with Mr Sweetman to ensure it all ran smoothly as well as some of our Year Six children who helped to set up the equipment.

Class Allocation for September

You will have been expecting to receive these today but as our transition days are not until Wednesday, these will be shared on Tuesday.

Non Uniform Day

Many thanks to everybody who supported today's non uniform day and we will let you know in due course how much was raised. I have shared a link to each of the two charities should you wish to find out a bit more about the terrific job they do:

<https://www.giveaduck.org.uk/>

And Finally....

I am sure that many of you will be looking forward to the weekend and one or two events which might be happening! There is just one week to go until the end of the school year as remember, we finish Friday 16th July! It still seems a long way off!

Wishing you all a lovely weekend.

With very best wishes,

Yours Sincerely

Mr C Gibson
