

Belmont Primary School Newsletter September 24th 2021

Dear Parents / Carers,

What a wonderful week it has been with the weather allowing us to enjoy the outdoors!

Cross Country Running

Congratulations to all those who took part in the cross country running at LJS this week. Great examples of determination have been shared with me and the course was certainly challenging. Thirteen children have now qualified for the next stage which will be held next week at St Peter's Primary School in Brotton. Of course, we wish them all the very best.

Parent Teacher Consultations (Parents' Evenings)

Our online booking system should be going live at the end of next week and the dates are the 18th and 20th October. For parents and carers of children in Year Six and in Mr Harper's class, the dates will be the 18th and 19th October as the staff (and most of the Year Six children) will be on the school residential visit to Robinwood. The meetings are planned to be for five minutes and as previously mentioned, they will be face to face as opposed to telephone discussions.

School Trips

It is terrific that these are now fully operational again as we believe they are a valuable addition to support the children's learning. Next week we have children visiting Preston Park and Saltburn. This is on top of the sporting activities and also the swimming which has also recommenced.

Extra Curricular Activities

These commenced this week and it is lovely to see so many children taking advantage of the increased number of opportunities being offered. Running club days next week are:

Monday: Year 5

Tuesday: Year 6

Wednesday: Year 3

Thursday: Year 4

Morrisons 'Good to Grow'

We have sent out further information about how you can support the school through this scheme.

Non Uniform Day

Next Friday we will be holding a non uniform day to support Maxis Mates, a local dog rehoming and rescue centre which many of our children are keen to support. Children can wear non uniform for the donation of £1 and all proceeds will go to Maxis Mates. For more information about this charity, please go to <http://maxismates.org.uk/home>

Many thanks as always for your continued support and we wish you an enjoyable weekend.

With very best wishes,

Yours Sincerely

Mr C Gibson
