

Belmont Primary School Newsletter October 15th 2021

Dear Parents / Carers,

The end of the first half term is fast approaching but there has been no let up in the pace of life here at school.

Sporting Fixtures

It was the regional finals of the cross country earlier this week with Belmont having five representatives which in itself is pretty impressive! As you will no doubt have guessed, they performed magnificently and were an absolute credit to the school.

Monday also saw the girls in Year Five and Six have their tag rugby tournament with both teams achieving second place in their respective groups. Again, every member of each team conducted themselves magnificently, playing well, showing determination, commitment and also wonderful sporting behaviour.

Harvest

This week, Harvest has been celebrated throughout the school. On Tuesday, Key Stage Two attended St Nicholas' Church where they enjoyed singing the songs they had learned. There were also some readings confidently delivered by a number of children and the service was very well attended. I received numerous comments about the excellent conduct of our children, something which I have conveyed to them and, as always, we are enormously proud of them.

Yesterday, Key Stage One performed a very energetic Harvest assembly which really did showcase the exceptional talent and, indeed, confidence the children have. It was absolutely superb and well done to everybody.

Thanks also to all of you who contributed to our collection and to Mrs Johnson who created such a wonderful display.

Robinwood

Next Wednesday, many of our Year Six children will depart for their delayed visit to Robinwood where I am sure they (we!) will have a most enjoyable time. Because of this, I may not get to write a newsletter for next week.

Parent Meetings

Remember that these will be taking place next week. If for any reason you are unable to attend, please do let us know.

Entrance and Exit Gates

The vehicular gates can be used to exit as well as enter the school site as the pedestrian gate can get a little congested at times.

As always, many thanks for your continued support and we wish you all a pleasant weekend.

With very best wishes,

Yours Sincerely

Mr C Gibson
