

Belmont Primary School Newsletter December 10th 2021

Dear Parents / Carers,

We are now steadily moving towards the last week of term and one where I am sure everybody is starting to feel the need for a bit of a break.

Christmas Concerts

Just to remind you that Reception and Key Stage One and families are invited this Monday from 4.30pm and Key Stage Two on Tuesday at the same time. Please feel free to bring a torch to help see the words on the song sheets and remember, there will be refreshments available for a small donation with proceeds going towards Friends of Belmont.

Christmas Lunch

I know everybody who had a Christmas lunch thoroughly enjoyed it and I have to mention the terrific work of our team in the kitchen led by Sarah! Many thanks to them, not just for the Christmas lunch but for all their constant hard work.

Friends of Belmont

Whilst writing about the work undertaken by people, I also have to thank Mrs Morton and the Friends of Belmont team, especially following the success of the Mini Shoppers gift initiative this week. An enormous amount of effort was used organising this and it was certainly very well received.

Also, the remaining gifts from mini shoppers will be on sale alongside refreshments at the carol concerts for any children who missed out or wanted extra gifts.

The Reindeer Run

We are so grateful for the sponsorship and donations made to Teesside Hospice as a result of the Reindeer Run. We have vast amounts of sponsor money still to collect but already the total is in excess of £2500! This is phenomenal and what a fabulous group of people you all are! Many thanks to all and I am sure everybody thoroughly enjoyed the run.....!!!!!!

Wishing you all a pleasant weekend,

Yours Sincerely

Mr C Gibson
