11th February 2022

Dear Parents / Carers,

We are slowly coming towards the end of the first half term of 2022 where we are really now seeing signs of the return to fully operating. Conversations are now being held in relation to additional 'fun' and enrichment activities, news of which will be shared as soon as various plans are finalised. Suffice to say, there are many exciting things in the pipeline!

Non-Uniform Day

I have been in touch with our friends at The Bridge who, among other things, operate a food bank providing not just food items but also other household provisions. We as a school would very much like to help support the work being undertaken and, as such, next Friday 18th February will be designated a non-uniform day. Instead of bringing in a donation of one pound, we are asking that instead, donations for the foodbank can be brought into the school. Below is a message from The Bridge:

Dear Belmont Primary,

Thank you for your support of the food bank at Guisborough Bridge. We are happy to accept any item that is in date and in its original sealed packaging. We are however short of the following items... toilet rolls, long life milk, tinned veg, tinned meat / meat meals, jelly packets, Yorkshire pudding mix packets, stuffing packets, instant soup packs and tinned hot dogs. Thank you for your help and support.

Items can be brought in from Wednesday next week and I will be delivering all donations next Friday afternoon.

School Lunches

Sarah our fabulous cook has been to see me concerned about children's willingness to eat their vegetables. I am aware that this is often a challenge we all face as parents and carers but if there is any way you can think of which helps encourage the children to maintain their balanced diet then we would be grateful if you could test it out! If successful, please also let me know the secret!

Spare / Old Uniform

On occasions, some children may require a change of clothing for various reasons. Unfortunately, we have a limited supply at present so if you have any uniform which is no longer needed and is in a usable condition, especially skirts and trousers, we would be grateful to receive such items. Many thanks.

Writing

This week we have included some fabulous writing produced by two of our Year Four children. We hope you enjoy reading it as much as we did! Looking around the work being produced by all of the children across the school, there is much to celebrate!
