Head teacher: Mr. C. Gibson

18th February 2022

Dear Parents / Carers,

We have arrived at the end of the first half term of 2022!

Non-Uniform Day

Many thanks for all the support you have given with donations for The Bridge. As always, you have overwhelmed us all with your generosity and we aim to deliver everything as soon as possible (approximately three full car loads!)

Diary Dates

We have amended our diary dates again. Firstly, we have had to alter the dates of the Year 3 and 4 Spring Assembly and the Mothers' Day Assembly. There are also some additions to draw your attention to. Firstly, Thursday 3rd March is World Book Day, which we will be celebrating in school. We are not asking children to dress as a book character but instead would like to invite them to dress in comfortable non-uniform and perhaps bring in a copy of their favourite book.

You will note that 8th and 9th March are identified as 'Belmont Blockbuster'! Very simply, we will be inviting children to attend a film (age appropriate!) in the hall on their designated afternoon / evening from 4.30pm. We will be requesting a small donation but specific information will be shared with you all after the half term break. We will also be holding a Science Week in school with a range of activities and visitors already planned in. In addition, on 10th June we will be celebrating the Platinum Jubilee in school, also with a number of activities planned.

As you can see, we are keen to increase the amount of enrichment activities offered to the children and there are also other plans 'in the pipeline' which we will share with you once we are further forward in their organisation. It is our view that such activities allow the children to enjoy a more holistic experience at school.

PD Day

Just a reminder that Monday 28th February is a staff training day (PD Day) and the school will be closed to children.

Running Club

Because of the weather, running club did not happen this week. Hopefully, when we return from half term, this can get back to being fully operational again!
