Headteacher: Mr. C. Gibson

1st April 2022

Dear Parents / Carers,

What a difference a week makes! Last Friday I was in short sleeves at Robinwood and today, as I write, huge flakes of snow are passing by my window!

Spring Assembly

What a tremendous performance we were treated to this week by the children in Years 3 and 4! A wonderful production that we hope will remind us that Spring is actually due around about now! Many thanks to all who came to watch, to the children for their performing and to the staff for their organisation.

Building Our Futures

Last year, our Year Five children worked on a pilot programme operated by the local authority investigating career opportunities in the local area alongside BAM Construction. This week, some of those children (now in Year Six) accompanied Mr Harper and Miss Moscrop to the formal launch of this initiative. They spoke in front of a number of delegates from the local authority, other schools and businesses very clearly about their own experiences with the programme (and also managed to get a little bit of breakfast out of it, too!). Thanks to all for being fine ambassadors of the school.

Parents' Evenings

Appointments are booking up for these next Monday and Wednesday so if you have not already done so and you would like an appointment, please sign up as soon as possible.

Uniform

We received this message earlier in the week and would like to share with you for your information:

As you are already aware we are the company in which sells professional and accurate school uniform to pupils of your school. We would like you to inform parents that we can and will offer a full uniform fitting on the day of purchase for these uniforms.

We have sold school uniforms across Teesside and Cleveland for over 20 years now and pride ourselves in our expertise to do so.

As a contracted and approved supplier, it would be of great benefit to us as a business and yourselves as a school to forward this message onto your pupils and their parents so that they are aware of our services.

We are still finding that several parents are unaware that we offer a uniform facility which causes a lot of frustration for us all.

In these unprecedented circumstances I am sure you can appreciate the importance of using and supporting small local business.
