13th May 2022

Dear Parents / Carers,

Year Six

As mentioned last week, Year Six have spent this week completing their end of Key Stage 2 assessments (or SATs, if you prefer). I am sure it will come as no surprise to learn that they conducted themselves in the most magnificently mature manner and as always, we are certainly proud of them all. Great work, Year 6. It is now time to start to focus on the end of year production!

Inflatables Day

Having spent some time outside today, I would say the right decision was made yesterday in postponing this event. However, as somebody said to me whilst I was standing at the gate yesterday, it gives us all something to look forward to again! I love a positive perspective!

Curriculum Enrichment

There are various visits and activities happening over the coming weeks. Years Five and Six will be visiting the National Railway Museum in York, there are geography field trips for some children up in the woods and plans are afoot for a range of other things too. We shall keep you posted.

Non Uniform Day

This has been changed to next Friday, 20th May as Year Six will be on a visit the following week. Just to remind you that children will be invited to wear non school uniform in exchange for a one pound donation which will be sent to Home-Start, Teesside.

Vacancy

We are seeking to appoint a cleaner to join our current team.

The times required are Monday to Friday 3.15pm – 5.30pm. 11 ¼ hours per week term time only. If you are interested please complete an application form. These are available from the school office. The closing date for applications is noon on Friday 20th May.
