Headteacher: Mr. C. Gibson

20th May 2022

Dear Parents / Carers,

It continues to be a hive of activity at the school with a number of activities having taken place this week.

Year Two

Our fabulous Year Two children have been working exceptionally hard this week on their end of Key Stage One assessment tasks and I have to say how impressed I have been (as have all of the adults who work with them!) with how they have risen to the challenge! The attitude shown by everybody has been quite magnificent and the levels of maturity are really something they should all be most proud of. Well done to you all.

Visits and Activities

This week has seen our Year Five children enjoy a terrific trip to the National Railway Museum in York where they really showed a keen interest in the exhibits and the information which went with each one. They conducted themselves impeccably (as I know we are not surprised by!), something which was also recognised by other visitors to the museum who chose to share this view with us. Thanks to Mr Bloomfield, our Chair of Governors, for accompanying the visit and sharing his wealth of knowledge with the children (and us adults too!). Next week it is the turn of Year Six.

Children in Upper Key Stage Two have also been conducting some geography fieldwork in Guisborough woods to support their studies and it is so fortunate to have such a great natural resource right on our doorstep.

Further activities are planned as the remainder of the summer term goes along and, as always, we will keep you up to date with these.

Half Term

It feels as if we have only just returned from Easter but remember, next Friday we finish for half term where I am sure many of you will be celebrating the Platinum Jubilee. We will also be commemorating this on the 10th June in school (and do remember that Monday June 6th is a PD Day and, as such, the school will be closed to children).

Running Club

This will not operate next week but we hope to recommence after half term.

Wishing you all a pleasant weekend,

Yours Sincerely,

Mr C Gibson
