Headteacher: Mr. C. Gibson

27th May 2022

Dear Parents / Carers,

We have reached the end of the summer first half term which has really seen the school as a hive of activity.

Sporting Success

I was delighted to receive the following information from Mrs Hughes earlier in the week in relation to sporting events our children have been involved in:

Y5/6 Athletics.

The Y5 Girls team WON!

The Y6 Girls team also WON!

Both of those teams will go to the second round. Also any boys that won races will go to the second round. Finally, the Year 4 Cricket team played brilliantly to finish **SECOND in their league.**

Absolutely tremendous effort on all fronts!

Jubilee Celebrations

We will be celebrating the Platinum Jubilee on the 10th June. We invite the children to wear non uniform (and if it happens to have a 'jubilee theme' to it, then all the better!). There are activities planned throughout the day and, as you will have already been made aware of, there is the barbecue lunch. Let's hope for good weather!

Home-Start Teesside

Our non uniform day last week in support of Home-Start raised £295.25 and below is a message from them:

At Home-Start Teesside we believe childhood can't wait and understand most families are impacted by tough circumstances at times. Thanks to your kind donation we can give tailored support to more families in need. I have added our leaflet if you would like to know more about the support we offer and our volunteering opportunities. Thank you to all at Belmont School for making a difference.

Changes to The School Day

We have had no negative responses to the consultation in relation to the starting times for Reception and Key Stage One children. As such, from the start of the Autumn Term 1st September 2022, all children from Reception up to Year Six will begin school at 8.40am. There will be no changes to the finishing time of 3.10pm.

And Finally.....

As always, many thanks for your continued support this half term. I hope you manage to have a pleasant week with the added benefit of two Bank Holidays on Thursday and Friday. **Do remember that school will be closed to children on Monday 6th June and also on Friday 24th June.**

Wishing you all a pleasant week and we will see you back on Tuesday 7th June.

Yours Sincerely,

Mr C Gibson
