Headteacher: Mr. C. Gibson

23rdth June 2022

Dear Parents / Carers,

It would appear that Summer has decided to make an appearance and everybody certainly seems to be enjoying the pleasant weather!

With this in mind, please do try to ensure that children attend school with appropriate sunscreen applied as well as a hat (named, preferably) and a water bottle.

Non Uniform Day

Many thanks to all who supported the non uniform day last week in support of cystic fibrosis, I am pleased to inform you that £330.10 was raised and, further to this, an additional £50 was also collected through another fundraising activity. This means a total of £380.10 will be donated to the cause. Fantastic effort, everybody.

Sports Day

We will be holding our Sports Day this year on Thursday 14th July with Reception and Key Stage One taking part in their activities in the morning and Key Stage Two in the afternoon. We will provide more specific information nearer the time but we are looking forward to holding this event fully for the first time since 2019!

School Lunches

Thank you to all those who responded to the previous message in relation to outstanding payments for school lunches. Could we ask once again that you check to ensure that your ParentPay account is up to date because we are keen to ensure that everything is balanced, certainly by the end of term. As always, please contact us in the event of difficulty.

Transition Week

As mentioned on our list of dates, the transition week will be from Monday 4th July. Our children in Year Six will spend their week in their secondary school and all other children will spend the week with their teacher for next academic year. This should ensure they are familiar with their new teacher and classroom routines in the hope that any potential anxieties should be alleviated. The new class lists will, therefore, be shared with you next week which is much earlier than usual, simply because of the transition dates set by the local authority. Children will then return to their 'usual' classes from 11th July up until the end of the term.

Next Friday 1st July we will share with you details of your child's class and will also distribute end of year reports.

Remember, school is closed tomorrow and I hope you all enjoy a long weekend!

Yours Sincerely,

Mr C Gibson
