8th July 2022

Dear Parents / Carers,

What a fabulous day! The sun is shining, the children are enjoying working in their 'new' classes and the field, as I write, is being prepared for Sports Day next week!

Transition

I have to say that I am really pleased with how quickly the children have settled into their September classes. From my perspective, the week seems to have been beneficial to both children and adults alike. Many thanks to everybody for making this a success and it was also lovely to see so many of our new Reception parents and carers join us for lunch! I hope you enjoyed it!

Summer Fair

This is next Friday and, in order to try to encourage donations, we will hold a non-uniform day on Friday 15th, next week, where we will ask for donations of items to be brought in or a pound to go towards the proceeds of the event. Many thanks in advance!

Sports Day

Information has been sent about this which will happen next Thursday. Reception and Key Stage One will participate in the morning with Key Stage Two taking part in the afternoon. We look forward to seeing you!

Final PD Day Allocation

We have allocated our final PD Day which will be on Friday 30th September. Staff will be in school for training on this day but we will be closed to pupils. To summarise, our planned school closures for 2022 2023 are:

30th September
2nd December
5th December
3rd January
5th June

Just a reminder that after the Summer break, we will welcome children back on Thursday 1st September.

Speaking of Summer, please could we remind you to ensure children attend school with sun protection cream / spray applied and also with a suitable hat and water bottle. It looks like we might be in for a warm spell!

Wishing you all a lovely weekend!

Yours Sincerely,

Mr C Gibson
