

Belmont Primary School Newsletter October 14th 2022

Dear Parents / Carers,

We have reached the end of another week and almost the half term. It is certainly starting to become colder and I have officially hit the 'two-coats-required-while-standing-by-the-gate' phase!

Harvest

We have been treated to the most magnificent Harvest assembly performed by our magnificent Key Stage One children yesterday and today! I make no secret of the fact that I absolutely love watching these performances, witnessing how confident and even brave our children are in their singing, reading and performing. Moreover, it is wonderful to see them clearly enjoying themselves too. Well done to all!

On Tuesday, Key Stage Two attended St Nicholas' Church for their Harvest service and again, we were thrilled with how well they participated in their singing and reading.

Many thanks for all of your donations which were collected this morning by our friends at The Bridge. The items will be distributed to people in our local community.

Cross Country

Well done to the five children who represented the school in the Tees Valley finals of the cross country. To get to this point is a huge achievement in itself and we are enormously proud of their achievements. Well done to you all!

Parent / Teacher Consultations

As previously mentioned, these will be held next week. For booking information, please refer to the letter sent earlier.

Sponsored Run / Walk

Next Friday is the sponsored walk / run in aid of the GNAA. It is non uniform and, if you have yellow and green, we encourage this (but it is not essential!!).

Next week is the last week of the half term and school will finish at 3.10pm next Friday and the school will be closed the following week.

Wishing you all a pleasant weekend,

Yours Sincerely

Mr C Gibson
