Headteacher: Mr. C. Gibson

17th February 2023

Dear Parents / Carers,

We have reached the end of the first half term of the spring but the level of activity across school has shown no sign of any abatement!

Maths Day

I can't compose this week's letter without recognition of all the rockstars we have in school today! I have to say, I am impressed with the efforts the children have gone to (hoping they did not raid the wardrobes and cupboards of other family members to achieve their rockstar looks!). Thanks to all for contributing to our diabetes charity too. So far we have raised £370 for The Children's Diabetes Team at James Cook Hospital.

More Enrichment Activities!

The Dorman Museum was the latest venue for an enrichment visit to support the children's learning and this time it was the turn of Years Three and Four. I am reliably informed that they had a wonderfully enjoyable and rewarding experience and, as one would expect, they represented themselves and the school marvellously.

We also welcomed parents and carers of our Reception children in yesterday morning for our second 'Rise and Read' event. As always, it was lovely to see so many of you sharing books (as well as toast!) in the Reception area and I hope you enjoyed the event.

Industrial Action

On 28th February, there is due to be strike action by teachers in our region. However, based on information voluntarily offered to me by our staff, I can confidently say that we are not expecting any disruption here at Belmont and, as such, anticipate being fully operational. I am sure that this will be welcome news for you all.

And Finally....

Many thanks for your continued support over the past seven weeks and we would like to wish you all a pleasant weekend and half term break. We begin the second half of the Spring Term on Monday 27th February.

Yours Sincerely,

Mr C Gibson
