Headteacher: Mr. C. Gibson

3rd February 2023

Dear Parents / Carers,

February already! How time seems to fly!

Tennis

Last week, our Year Four tennis team attended the Cleveland Schools' Tournament and displayed tremendous effort and sportsmanship, proving themselves to be outstanding ambassadors for the school. However, they also played pretty well, too! So well, in fact, they actually secured the runners up position! Absolutely magnificent effort from them all! Well done to all of the team.

Calendar Dates

Our events calendar continues to evolve and we have sent out the latest update which contains things such as Mothers' Day assembly, sports day and a few other bits and pieces. There is no doubt more additions will be forthcoming over time.

Friday 17th February

This is the last day of the half term and there will be a couple of things happening. Firstly, we will be designating it as a 'maths' focus day where children will be engaging in a range of mathematical activities designed for both fun and challenge. 'Times Table Rockstars' competitions will also be set up across the school where Y2 to Y6 get the chance to challenge one another!

We will also be holding a non uniform day in aid of The Children's Diabetes Team, James Cook Hospital. We will request a one pound donation for children to wear non uniform (the colour blue is encouraged so I am sure to witness a sea of Ipswich Town shirts Or not!). If they wish, children can also choose to dress up as their very own 'Times Table Rockstar' to fit in with our mathematical TTRS theme (although, as always, our rockstars will not have their hair coloured....! Thanks!). The choice is yours!

Trading Cards

Following a note in an earlier newsletter, we have sent out correspondence explaining that children not in years 3 to 6 are not to bring these cards in anymore. Unfortunately, there have been a number of issues which end up taking unnecessary amounts of time to try to sort out. Children in years 3 to 6 can continue to bring these in as I am unaware of any issues in those year groups.

Wishing you a pleasant weekend,

Yours Sincerely,

Mr C Gibson
