30th November 2023

Dear Parents / Carers,

As I write, snow is falling and Mr Magor and I have just finished putting up the Christmas trees in the two halls. It's beginning to look a lot like..... oh, never mind!

Reception Rise and Read

Thanks to all who visited the session this morning. Unfortunately I was unable to attend but I very much hope it was enjoyed by all. Thanks also to the staff in Reception for organising this.

School Crossing Patrol

I spoke to Beverley Brown who is in charge of school crossing patrols earlier this week to enquire about the current situation on Eglinton Avenue. She informed me that there was somebody ready to take over but, due to ill health, they have had to now re-advertise the position vacated by Marilyn. She also asked if we would like to 'signpost' her details should any of our school community be interested. Bev's telephone number is 07799 657184 but I do have information in relation to hours and salary if you would like to have this information first. Feel free to give us a call!

Sporting Achievements

Congratulations to our team of eighteen Year Six children (nine boys and nine girls) who were victorious in the Cleveland Sports Hall Athletics earlier this week! A tremendous achievement!

PD Days

A final reminder that the school is closed to pupils tomorrow and Monday! Once again, I have also added the upcoming diary dates below:

1 st / 4 th December	School closed (PD Days)	14 th December	Reception Nativity
11 th December	Nursery Craft Day. Info to come.	18 th December	School Christmas 'singalong' EY and KS1 (5pm)
