Headteacher: Mr. C. Gibson

10th May 2024

Dear Parents / Carers,

I hope that you all managed to enjoy the long Bank Holiday weekend. From my perspective, Saturday, at around 2.30pm, was particularly memorable....

End of Key Stage Assessments

Next week will see our Year Six children take part in their end of Key Stage Two assessments (known to most as SATs). I have to say that the work ethic and maturity shown by this group of young people over the time I have known them has been highly commendable and reflected in their behaviour and attitudes in school. Whatever may happen, I know that they will continue to conduct themselves in the most appropriate way displaying the resilience and determination we have seen over the years. Enjoy!!

Further to this, our Year Two children have also been engaging in some assessment tasks this week and, when handing out certificates in assembly today, the phrases which kept recurring were 'showing resilience' and 'never giving up' which really exemplifies the attitude of the children involved. Well done to them for their hard work, effort and, indeed, resilience!

Sporting Fixtures

The football team from Upper Key Stage Two enjoyed playing a 'round robin' of matches this week against other local schools and ran out worthy winners! Congratulations to all!

New Arrivals!

The 'Belmont Family' has recently been expanded! On 19th April, Mrs Russell welcomed Olivia into the world and last Sunday, Mrs Fox gave birth to Henry. Everybody is doing fine and we pass on our best wishes to all!!

Tesco 'Stronger Starts'

I have been reliably informed that a number of the local Tesco stores have the 'Belmont Gardening Club Bins' set up! If you do happen to shop in one of the participating stores, grab a handful of discs (no one will notice..!) and pop them in! I can't do this alone!!!!!!

End of Half Term

I know it is still a couple of weeks away but please remember that we finish the half term on THURSDAY 23RD MAY with Friday 24th being a PD Day.

End of Year Two

Just a reminder that when children move from Year Two into Year Three, their Universal Infant Free School Meal offer ends. As mentioned before, this is NOT to be confused with free school meal entitlement through other qualifying criteria. It is worth remembering that eligibility for this entitlement also provides reduced costs for school visits. As such, if you feel that you may qualify for the free school meals, please do apply. We have attached further information with this letter.

And Finally....

As always, we would like to wish you all a pleasant weekend! Looking at the forecast, I think it is one for the garden!

Yours Sincerely

C. Gibson
