Headteacher: Mr. C. Gibson

7th June 2024

Dear Parents / Carers,

I hope that you all managed to enjoy a pleasant half term break as we now begin the run-in through until the end of the school year.

Sports Day

A reminder that our school Sports Day will take place (weather permitting....) on Thursday 20th June, with Reception and Key Stage One being held in the morning and Key Stage Two in the afternoon.

4th July

As we thought, the school will be used as a polling station on the 4th July meaning that it will be closed for the day. Moving forward, I will be meeting with the local electoral office to discuss a way of avoiding this in the future. Although a school closure is a source of frustration, sadly it is a challenge for our colleagues at the local authority too for a number of reasons. We do have a bit of time to find solutions to this problem as I have been informed that there are no more planned election dates until 2027

Year Four Visit

In spite of the rather blustery conditions, Year Four enjoyed their trip to Whitby earlier in the week. Fortunately it stayed dry, allowing everybody the chance to make the best of the day and create a few sandcastles too!

Year Five and Six Athletics

A fantastic performance by our athletics team earlier this week with both the Year Five boys and the Year Six girls being placed as runners-up. The Year Six boys won their category! All of the children have qualified for the Cleveland school's final next week and I would like to congratulate all of those who participated, not just because of the results (which are terrific!), but also for their magnificent support and camaraderie for one another.

Singing Club Concert

Next Tuesday 11th, our singing club will be participating in the Choir Concert at St Nicholas' Church. Details have already been provided to those involved in this but I would like to wish them a thoroughly enjoyable afternoon and evening.

Busy Reception Class...!

Our Reception children have a lot going on next week! On Thursday, they will be hosting their event to coincide with Father's Day and Friday will see them travelling to Monk Park Farm for a visit! Information has been shared about both of these activities.

And Finally....

As always, we would like to wish you an enjoyable weekend!

Yours Sincerely

C. Gibson

Mr C Gibson
