12th July 2024

Dear Parents / Carers,

What a fabulous week it has been (weather notwithstanding) and it has been fabulous seeing the children settling so well into their 'September classes'.

Transition Week

As mentioned above, we are pleased that the children appear to have settled well into their 'new classes' and have got to know the slight change in routine prior to the end of the school year. Many thanks for the feedback that you have shared with us, some positive and some slightly less so. Suffice to say that you can be assured that where there have been some perceived shortcomings, we have already discussed these and considered ways of how to improve the experience for all concerned next year. We are grateful for you sharing your views as, regardless of whether they are positive or otherwise, they are of great value and do influence our future plans.

School Holiday and Food Activities Programme

The holiday activities and food (HAF) programme runs during the school holidays to offer free, fun activities and food to children and young people aged 4 to 16 years. We understand that the school holidays can be a challenging time for parents, and the HAF can support this. All children who are eligible for benefit-related free school meals can take part. Non-Uniform

As mentioned previously, because of the fabulous support you have all given, not just for last week's donations to the food bank but for all of our fundraising events through the year, next Friday will be a non-uniform day for everybody. There will be no need for any type of donation as it is a big thank you from all of us here and on behalf of the many you have all helped with your generosity.

Lunch and Breakfast Club Payments

As we approach the end of the school year, could we please ask that all balances for the above are settled. Any which are not paid by the end of term will have to be referred to the local authority debt recovery department. Many thanks for your support on this.

And Finally...

Wishing you all a pleasant and enjoyable weekend as always! Somebody did mention something to me about some sort of football match which is being played too....

Yours Sincerely

C. Gibson
