

Home-School Agreement 2024 – 2025

At Belmont we aim to provide a caring, supportive and stimulating environment with high quality teaching through which to foster:

- A high level of literacy and numeracy and an enquiring mind, keen to learn more every day.
- Independent young people who are confident, flexible and able to cooperate with others
- Imagination and creative expression through a wide range of media
- Conscientious young citizens of our multi-cultural society who are tolerant and respect the views of others
- Pride in achievement and a desire to succeed
- Effective links between the school, the child's home and the community which promote aspiration and high expectation
- Equality of opportunity for all

Our home-school agreement sets out some of the key ways that the school, parents/carers and children can work together to achieve these aims.
