Headteacher: Mr. C. Gibson

6th December 2024

Dear Parents / Carers,

I hope that you managed to enjoy the long weekend and, those of you who went away, I also hope some fabulous memories were made.

We are now at that time where we are in the midst of numerous seasonal activities across the school (whilst also, of course, continuing to work hard in the classroom!).

Christmas Service

It was fabulous to see so many of you join us at the Key Stage Two service at St Nicholas' Church on Tuesday afternoon. As always, it was a wonderful occasion and once again, we would like to thank our hosts at St Nicholas' for inviting us to participate in this event. Well done to all who took part.

Choir Festival

Back at St Nicholas' Church on Wednesday, our choir performed in the Guisborough Schools Choir Festival. Sadly, due to other school based commitments, I was unable to attend but from the feedback from the children, Mrs Fawkes, Mrs Brown and numerous parents and carers who attended, this was also fantastic! Once again, thanks to all at the church, to all who came to support, to the children for their participation, commitment and enthusiasm and also to our two staff members, Mrs Brown and Mrs Fawkes who have spent a large amount of time with the children rehearsing and for their time on Wednesday.

Christmas Lunch and Jumpers!

Remember that Tuesday 10th (next Tuesday) is our Christmas lunch and everybody is invited to wear their Christmas jumper (a generic term for any kind of festive top!!!) to school that day, regardless of whether having the lunch or not!

The Reindeer Run

As mentioned previously, we will once again be participating in this event which is essentially a sponsored run / walk around the field to support Teesside Hospice, something we have done for a few years now, raising a considerable amount thanks to your remarkable generosity. However, due to last-day-of-term-logistics, we have decided to hold this on Thursday 19th December so we are not trying to squeeze in all of the various other activities which occur on the final day of term!

Christmas Singalong

This will be held outside on the KS1 playground on Tuesday 17th December commencing at 5pm and everybody is invited! I will aim to send out copies of song words so everybody is able to join in and Friends of Belmont will be in attendance serving hot chocolate. Obviously, this event is weather dependent but in the years we have held it, we have never had to cancel so here's hoping.....

Reception Nativity

Remember, next Thursday at 2.15pm our Reception classes will be performing their Nativity and, as I think I may have mentioned, I ABSOLUTELY CANNOT WAIT and I am sure I am not alone!

And Finally....

I think it may be a case of having to 'hold onto your hat' this weekend as it would seem it may be getting a little blustery! Be careful out there and have a good one.

Yours Sincerely

C. Gibson

Mr C Gibson
