24th January 2025

Dear Parents / Carers,

What a start to the day! A little bit blowy, I'm sure you will agree but many thanks to you all for working with our adaptations for entering the school building today. The classroom doors really do struggle with the wind hence the need to use alternative options!

Year Three Visit

I have thoroughly enjoyed our Year Three children sharing facts about the Ancient Egyptians with me since their visit to the Oriental Museum earlier in the week. I understand we had children mummified and some had their heart weighed against the feather of Ma'at! All exciting stuff! It is clear they enjoyed their trip and gained lots from it!

Reindeer Run

Many thanks for all of your efforts in supporting Teesside Hospice with sponsorship for the Reindeer Run we held in December. You raised a fantastic £2560.50, a huge amount of money which will make such an enormous difference to so many people. Thank you all for your remarkable generosity as always.

NSPCC Number Day

On **Friday 7th February**, we will be participating in the NSPCC annual Number Day. As you might expect, we will be having a focus on mathematical activities that day (some which are slightly different to the usual, perhaps...!) and also invite the children to wear non-uniform for a one pound donation to support the terrific work of the NSPCC.

Year Four Tennis

Unlike, perhaps, their counterparts in Australia, our eight tennis players in Year Four had a most successful outing yesterday at the Cleveland Sports Partnership Tennis Competition where, for the third year running, they were victorious in the event! A tremendous effort by them (and the coaching of Mrs Spears!).

And Finally....

Hopefully things will settle down a bit before the weekend starts, allowing you all to enjoy the couple of days away from the rigours of school. Have a good one.

Wishing you a pleasant weekend,

Yours Sincerely

C. Gibson
