31<sup>st</sup> January 2025

Dear Parents / Carers,

STILL January! But February starts tomorrow and we can finally be through what feels like the longest month ever!

#### Rise and Read

As always, it was terrific to see so many of you at Reception's 'Rise and Read' yesterday morning! We hope you enjoyed the session and we will let you know when the next one is planned in for.

#### NSPCC Number Day

Remember that next **Friday 7<sup>th</sup> February**, we will be participating in the NSPCC annual Number Day where we will be having a focus on mathematical activities that day (some which are slightly different to the usual, perhaps...!). As well as this, we would also like to invite the children to wear non-uniform for a one pound donation to support the terrific work of the NSPCC.

#### Transition Week

We have had official confirmation that the transition week this year (as agreed by Redcar and Cleveland) will be the week beginning Monday 7<sup>th</sup> July (which is the week we had anticipated). As most of you will be aware, that is the week where our Year Six children will attend their next secondary school and all children here will move up into the class they will be allocated from September. They all return for the final week however.

#### And Finally....

I feel as though I have slightly 'short-changed' you this week with a rather brief newsletter (or, perhaps, lack-of-newsletter). I shall endeavour to be more creative next week!

As always, wishing you all an enjoyable weekend.

Yours Sincerely

*C. Gibson*
