Headteacher: Mr. C. Gibson

14th March 2025

Dear Parents / Carers,

I would like to formalise apologise following my suggestion last week that we may be seeing signs of Spring! Enough said there, I think!

Netball

I have to start this week's letter with a huge mention to our netball teams who achieved second and third places this week in Cleveland School Sports Partnership tournament. This is a fantastic achievement in itself but given that the children representing Belmont were, in a number of cases, considerably younger than their opponents, I think this is outstanding! Well done to everybody involved and a massive thank you to Mrs Simpson for the time she spends after school working with the netball club and for accompanying them on Wednesday (as well as taking the odd umpiring duty!).

Comic Relief

Next Friday it is the annual Comic Relief national fundraising day (or Red Nose Day as it is more commonly known). We would like to invite children to wear non-uniform on that day for a donation of one pound which will be sent to the charity.

Parents' Evenings

These will be held on Monday 7th and Wednesday 9th April. We will be setting up the appointments on the online portal in the coming week or so and will obviously keep you informed as to when it all 'goes live'.

Robinwood

Next Wednesday many of our Year Five children will be embarking on their adventure to Robinwood, the annual residential visit. I know that they will have some fabulous experiences and I very much hope that they enjoy all the challenges set before them!

And Finally...

As always, we wish you an enjoyable weekend.

Yours Sincerely

C. Gibson
