**Date of Review: June 2025**

## **NAPPY CHANGING AND TOILETING POLICY**

This policy has been devised in response to the increasing number of children entering EYFS who are not fully toilet trained.

### **Statement of Intent**

Some children will still be wearing nappies / pull up trainer pants when they start Nursery and other children will have 'accidents' from time to time. This, consequently, means that the children will need to be changed.

### **Aim**

All staff will follow our procedure which will respect the child's feelings, fears and dignity when they are being changed.

### **Procedure**

- The home / school agreement to be signed by parents / carers of all children entering the Foundation Stage
- Parents / carers will be responsible for providing all nappies / 'pull ups', wipes, and nappy sacks for their child
- Only employed Belmont staff are responsible for changing children
- A child will be taken to the toilet area to be changed
- They will be encouraged to lie down on a changing mat
- All staff will wash their hands before changing a child
- The staff member will notify another staff member that they are changing a child
- Appropriate gloves will be worn by staff when changing a nappy and / or clothing
- Soiled nappies and gloves will be disposed of in a nappy sack and placed in a lidded bin
- A child's clothing will be placed into a plastic bag to be taken home and the spare clothes will be given. The spare clothes will be washed by the parent and returned to school
- The changing mat will be wiped down with an antibacterial wipe
- A record of all nappy / clothing changes will be kept in the Nursery and Reception classes
- Parents / carers will be informed if their child / child in their care has required changing at the end of the session in a sensitive and discreet manner.

## HOME / SCHOOL AGREEMENT

I, the parent / carer of \_\_\_\_\_ agree that:

- I understand and agree to the procedures that will be followed when my child is changed at school.
