Headteacher: Mr. C. Gibson

23rd January 2026

Dear Parents / Carers,

The end of another busy week here at Belmont!

Year Four Tennis

Top billing this week has to be given over to our fabulous Year Four children who participated in the Cleveland Schools' Partnership Tennis Tournament yesterday (try saying that quickly!). Not only were they truly magnificent ambassadors for the school but, moreover, they secured the runner's up spot! A phenomenal achievement I am sure you will agree and it was fabulous to see them as they returned to school proudly displaying their well-earned medals! Great work, team!

Cleveland Fire Brigade Visit

What a fabulous opportunity we had yesterday as Cleveland Fire Brigade came in to speak to the children about fire safety. A huge amount of highly relevant information was shared with the children covering such things as ensuring adults check smoke detectors each week, what common causes of fire are, how to prevent these causes and a whole host of other vitally important pieces of information. This is certainly something we would like them to present again in the future and we are, of course, hugely grateful for their valuable time.

Book and Uniform Sale

Thanks to everybody who supported this, both yesterday after school and this morning! I daresay that this will be something we will facilitate again in the not too distant future! Thanks also to the staff for organising this!

'Understanding Emotional Regulation' Information Sessions

Just another reminder about the upcoming training which we shared information about recently. These sessions are being facilitated by 'Inside Out', the mental health support team who work closely with us here at Belmont. You can choose to attend on either Monday 26th January or Tuesday 27th January from 4pm until 5pm in the KS1 hall. To sign up for one of the sessions, speak to our team in the school office who will be happy to help. I know many of you have already done this.

And Finally....

Many thanks to my Year Six football followers for keeping me updated with the league table situation! I look forward to a further update on Monday (or possibly not...!). Wishing you all a pleasant, and hopefully dry, weekend.

Yours Sincerely
C. Gibson
