Headteacher: Mr. C. Gibson

20th March 2026

Dear Parents / Carers,

Welcome to the end of another week where, as always, it continues to be a hive of activity, especially in a small area of the country, a stone's throw from Alston where the children are now in bed and all is quiet! More on that later.

We Walk With Awareness

Earlier this week, Years Three, Four and Six participated in an assembly which aimed to encourage them to travel to school in a way which is seen as more environmentally friendly and sustainable (probably quite relevant at the moment given current oil prices!). The virtues of walking, cycling and scooting to school were discussed which, along with obvious environmental (and financial) benefits, also touched on how it can support physical well-being. As the weather gradually improves and we get more daylight hours, I have no doubt we will see an increase in these other methods of travelling to school.

Year Six Netball

Congratulations to our Year Six netball team who participated fabulously well in the cluster Netball tournament yesterday and, in doing so, secured second place! What a fantastic result this was and very well deserved!

Key Stage Two Easter Service

This will take place this Tuesday 24th March at 1.30pm in St Nicholas' Church. As always, you are most welcome to join us.

Parent / Teacher Consultations (or Parents' Evening!)

Just a reminder that these will take place on Monday 30th March and Wednesday 1st April. Bookings go live at 4pm today, so please do ensure you get signed up!

Robinwood

So, just a small mention about the fifty-five children who have attended the residential visit to Robinwood. As you would both hope and expect, I will always speak and write about how proud we always are of the young people who attend our school. However, those of you have known me for a while will be aware that I do not offer false praise. With that in mind, Miss Schumm, Mrs Tebble, Mrs Russell, Mr Harper, Mrs Fawkes and myself could not be any more proud of the children. The way they have approached the activities, presented themselves and behaved as well as showing enormous support for one another has been faultless. I hope that they have enjoyed the experiences offered to them and we have absolutely loved sharing the time with them. A magnificent group!

And finally...

I hope that you manage to enjoy the weekend. No idea what the weather is meant to be like (I know! I have failed you all!) but whatever you do and wherever you go, have a good one.

Yours Sincerely
C. Gibson
Mr C Gibson
