Headteacher: Mr. C. Gibson

15th May 2026

Dear Parents / Carers,

In interesting week in many ways, not least with Year Six tests, arctic-like conditions and bizarre occurrences in the arena of 'professional' sport which my media moguls in Year Six keep me up to date with.

Year Six Tests

Obviously there is only one possible candidate for the top billing this week and that is the fantastic response from our Year Six youngsters to their testing week. As you would expect, they took everything in their stride and approached each of the six tests with determination and positivity. Regardless of what comes back in terms of results, they can all be proud of their efforts and nobody could have asked for any more from them. A relaxing weekend is certainly in order and then they will be fully focused on their end of year production for the next few weeks!

Upcoming Visits

It's that time of the year when more excursions and visits are planned and next week we have two such activities. On Tuesday, Year Six will be visiting Eden Camp with Year One going to the Danby Moors Centre on Wednesday. Sorry? Did you ask what the weather will be like? Well, according to my sources, Wednesday (sunny intervals, light breeze) looks a bit better than Tuesday (thunderly showers...!) but I'm sure that will change!

Robinwood Meeting

Just a reminder to our parents and carers of children currently in Year Four that on Wednesday 20th at 4pm in the KS2 hall, there will be a meeting providing information about next year's visit. As mentioned in the letter sent earlier this week, it tends not to take too long.

And Finally....

Looks like it will be staying a bit chilly over the weekend so not, perhaps, one to be sitting in the garden! Whatever you do, we hope it is an enjoyable one and remember, just one more week until the half-term break.

Have a good one!

Yours Sincerely
C. Gibson
