Headteacher: Mr. C. Gibson

26th June 2026

Dear Parents / Carers,

What a week. Oven like temperatures and now, as I write, I can hear the rain thumping onto the roof. Ooh, I think that was a little rumble of thunder there, too!

Sports Day

Obviously the reasons for the postponement of this event were pretty clear. However, as promised, we have consulted with the calendar and the one clear day where we feel that we can hold Sports Day is Monday 20th July. Timings will remain the same.

Scaling Dam

This week was the turn of Mr Harper's class to take to the water under the close and watchful eye of Mr Wood and his colleagues. It is always fabulous to be able to provide the children with wider opportunities and enrichment activities where we can and it was clear that all of the children had a fantastic time. Once again, many thanks to all those at Scaling Dam for making this happen for us.

Athletics Finals

Also this week we saw our 'qualifiers' participate in the Athletics Finals. In difficult conditions, they performed fantastically well and although they did not come away with medals, they certainly returned with a sense of pride and accomplishment. Well done to all.

Discos

Remember that these are happening this coming Tuesday 30th June and MUST be booked by Monday via ParentPay as already advised. If your child wishes to attend, it is imperative that this booking is made by this time to avoid disappointment.

Year Two Visit

Preston Park will host our Year Two children next Thursday for their visit to the museum. Of course, you will be wanting to know the weather conditions according to the current forecast: a bit of light cloud, temperatures comfortable! I am sure they will have a terrific day out.

And Finally....

Not too sure anybody will be cooling down any time soon. A warm one tomorrow, spot of rain later on so maybe the barbeque should be for lunch rather than dinner! Enjoy!

Have a terrific weekend.

Yours Sincerely
C. Gibson
