Headteacher: Mr. C. Gibson

17th July 2026

Dear Parents / Carers,

We edge ever closer towards the end of the school with all sorts of activities continuing to happen.

Year Six Performance

Wednesday night was the second and final showing of 'Mission Implausible', the production presented by our Year Six pupils. As before, it was fabulous and it was clear that they all thoroughly enjoyed being on stage. Hopefully they will continue with their acting skills as they move into their next school! Well done all and thanks to Mr Harper, Mrs Brown and a whole host of other staff members who have helped in bringing this to the stage.

Nursery Graduation

It was an absolute privilege to have seen the graduation ceremonies held by Nursery yesterday! What fabulous occasions they were and many thanks to all of you who came and gave your support. HUGE thanks also have to go to our Nursery team who spent hours creating the certificates, making the mortarboards, laminating the photographs and writing the citations. As well as preparing the buffet and the whole ceremony! Quite magnificent!

Visits

We very much hope that Reception enjoyed their outing to World of Play yesterday and Year Four had an enjoyable trip to the forest for a bit of a walk and a picnic. Great day for it! Thanks to those who accompanied the Reception visit. It would have been a bit tricky without your assistance!

Sports Day

Remember, this will be at 9.15am on Monday for Reception and KS1 with KS2 planning to commence at 1.15pm. Currently we are forecast sunny intervals, gentle breeze and highs of 21°C! Sounds pretty much ideal!

Medical Care Plans

As we approach the end of the year, Medical Care Plans urgently need updating for the next academic year. Miss Schumm sent these home last week to be signed, so please sign, annotate any necessary changes and return them to school as soon as possible. We need all plans returned before the end of term. It is obviously of utmost importance that these are fully up to date. Many thanks.

Non-Uniform and Ice Lollies!

Thanks for supporting our fundraising day today. We will aim to have a bit of a count-up and let you know how much you raised by the end of term if we possibly can.

Summer Break

Remember that we finish for the break on Tuesday 21st but given how stretched the holidays can get when having the children at home for such a period of time, I have been doing a bit of 'digging' to see what help is available. Firstly, we have the flyer for the Redcar and Cleveland / Middlesbrough Holiday Activities (and we have some other ones in the foyer too for different providers. Do op in and grab one).

Morrisons are providing free breakfasts supported by Kelloggs within their cafes. When you reach the till-point, say 'Kelloggs breakfast' and this can be redeemed.

I have also stumbled on the website (follow the link) which provides an overview of a range of establishments who have offers for families. And remember, wherever you choose to go to eat, VAT on children's meals has been temporarily cut to 5%!

The website I found can be reached by following this link:

<https://www.thepennypincher.co.uk/post/kids-eat-free>

And Finally....

Sports Day Monday and then maybe, just maybe we can see the end of term in sight. But not yet! Wishing you all an enjoyable weekend.

Ooh, nearly forgot! A bit overcast with highs of 17°C tomorrow but brightening up into the evening! Sunday slightly better...

Yours Sincerely

C. Gibson

Mr C Gibson
