Headteacher: Mr. C. Gibson

3rd July 2026

Dear Parents / Carers,

The wind down to the end of term continues as will become apparent as you read on!

Year Five

Our Year Five children thoroughly enjoyed their visit to St Nicholas' Church earlier in the week to take part in a range of activities during the annual 'Open Door' event. We always thoroughly enjoy participating in the opportunities provided and there are fabulous items which are produced by the children. Many thanks to all who are involved in organising this activity and it is something we hope to enjoy for years to come.

Year Two Visit

The sun shone for our Year Two children who attended Preston Park Museum yesterday and, although a touch breezy, it was a fantastic day out. I have not as yet had a chance to ask the children about it but I do know they had a terrific day!

Year Six Performance

There were no clear signs of 'opening night nerves' as our Year Six children took to the stage yesterday evening to present their end of year production, 'Mission Implausible'. It was fantastic with the children showing marvellous confidence and some pretty good comic timing, too! Well done to all and they now have a couple of weeks to get over it before the next showing on Wednesday 15th July.

Reports, Classes and Transition Week!

Today you will receive both your child's end of year report as well as information about their class teacher next year. As always, we have tried our best to keep any movement between classes to a minimum but, as with most years, some adjustments have to be made for a variety of reasons. What we can say is where a child or children have moved classes, they have been placed with at least one friend of their choosing. It must be said that considerable time and deliberation is spent organising these seeking to attempt to create the most appropriate outcomes for everybody. Very rarely, there can be some disappointment but from experience, following transition week where the 'new class is experienced, this tends to dissipate. We ask that you trust our judgements and if for any reason your child is unhappy, explain to them what I have mentioned above.

As you will know, next week children will spend the time in their 'new' classes with Year Six doing so in their secondary placement. Obviously, we hope everybody enjoys their week.

And Finally....

I hope you enjoy reading all about your child's year in the reports. They do take rather a long time to compose (as I am sure you will see) but, having had the pleasure of reading through and commenting on all 396, it is a pleasure to see that every one of our children has much to be proud of. Hopefully a weekend of recognition and celebration.

Have a terrific weekend.

Yours Sincerely
C. Gibson
