Headteacher: Mr. C. Gibson

2nd October 2026

Dear Parents / Carers,

We are well over halfway into the first half term of the year and there is definitely an early morning chill starting to appear.

Bikeability

Our Year Five children have been working hard on their cycling skills this week with Nicola who has been supporting them to help develop their safety and proficiency. I don't think the wind has been enormously helpful but, nonetheless, they all seem to be doing fabulously well!

More Sports

As alluded to last week, the KS2 girls took part in their T1 Rugby tournament this week with two Belmont teams competing. As you would expect, they conducted themselves brilliantly, competing with the kind of intensity we tend to associate with our sports teams! One of the two teams has made it through to the finals which are being held next week.

Also next week it is the Tees Valley Cross Country Finals where a number of our children will be competing. We wish them well and hope they start the carb loading this weekend!

KS2 Harvest Service

This will be on Tuesday 6th (next week) at St Nicholas' Church starting at 1.30pm. You are welcome to join us.

Parent / Teacher Consultations (Parents' Evenings)

We will be setting up the booking system over the coming week or so and when this has been completed, we will inform you of how to make your appointments for either the 19th or 21st October.

And Finally….

A number of you have mentioned that the weeks seem to be passing by at a rate of knots and I feel compelled to agree! And the outlook? It would appear to be fine and dry BUT it said that this morning. Washing done and on the line by 6.30. Driving to work, it rained. Not in the forecast so feel free to ignore this one!

Wishing you all a pleasant weekend.

Yours Sincerely

C. Gibson

Mr C Gibson
